## INVITATION LETTER

It is a great pleasure for us to invite 25 persons from the People's Republic of China to the Federal Republic of Germany, taking part in a specially organised workshop about the *Psychological Counseling Service for Students at German Universities* for 15 days in November 2016.

During their stay in Germany we are prepared to arrange a variety of activities which include seminars, visits to the corresponding organisations and direct contacting with experts in the above field. Enclosed, please find the name list of the group members and the visiting program.

All expenses of their stay will be covered by their institutions and themselves. The BTT Berlin will support responsibly all organisational issues and events.
